

Brady Prehospital Emergency Care, Joseph J. Mistovich, Brent Q. Hafen, Keith J. Karren, Brady Prentice Hall Health, 2004, 0130492884, 9780130492883, 1006 pages. For courses in Prehospital Emergency Care. The most complete resource for EMT-B training, this best-selling, student-friendly text contains clear, step-by-step explanations with comprehensive, stimulating, and challenging material that prepares and equips students for real on-the-job situations. The assessment and emergency care sections provide the most up-to-date strategies for providing competent care. The enrichment sections further enhance students' ability to assess and manage ill and injured patients in prehospital environments. With its use of the case study model, state-of-the-art scans, algorithms, protocols, and the inclusion of areas above and beyond the DOT curriculum, this new edition of Prehospital Emergency Care prepares students for success..
