

Reforming the House of Lords: Lessons from Overseas, Meg Russell, Oxford University Press, Incorporated, 2000, 0198298315, 9780198298311, 368 pages. The constitution of Britain is changing rapidly, and the House of Lords is next on the agenda for reform. But while Britain takes on many of the features of other countries' constitutions, the Lords reform debate remains insular and backward-looking. This book provides an international context, using material as yet unpublished in the UK..

Law and religion in contemporary society communities, individualism and the state, Peter W. Edge, Graham Harvey, 2000, Political Science, 205 pages. The relationship between law and religion has traditionally been analysed according to two basic paradigms. One has focused on the relationship between religious communities
