Lamplight and Nightlight are both in paperback! The final two books in A Golden Light Anthology series are here and are wonderful additions to your inspirational and children's book collections. Nightlight for children even has beautiful color images that accompany each story and Lamplight will leave you filled with peace and hope. Both books are beautiful and are two of my favorites among all of our titles.

Nightlight: A Golden Light Anthology spins tall tales of childhood. With fairies and wizards, school plays and summer camp, family adventures and learning life lessons, this children's anthology is perfect for bedtime stories and will take young readers to far off places before they slip into dreamland.
