

Court of Law, Lance K. Steele, Steve Kooyers, 2011, 0982703120, 9780982703120, 230 pages. Court of Law is a fact-based fictional story about a serial pedophile-turned killer; how he hides, hunts and covers up his kills. Three young cops must think outside the profile to bring him to trial, but first they must put aside their jealousy, affairs and other distractions. This book has sex, violence, corruption and warped sub-plots... and a twist ending..
