

The Luftwaffe Bombers' Battle of Britain: the inside story, July-October 1940, Chris Goss, CrD“Â©cy Publishing, 2001, 0947554823, 9780947554828, 288 pages. Fascinated by stories of the Battle Britain and how the outnumbered RAF fought and defeated a far superior enemy, the author writes his book from the perspective of the side who's story is usually not told. Twenty years ago Goss started contacting German aircrew who participated in the Battle of Britain. His years of research will show you the battle from a different point of view; the one not always given. You'll understand how it felt to be flying against an enemy who had nothing to lose, and how it felt to be defeated..
