

The Rise of Communism, Robert J. Sims, Greenhaven Press, 2004, 0737712945, 9780737712940, 272 pages. The Communist Manifesto, written by Marx and Engels in 1850, sparked the interest of political idealists and coffee-house intellectuals around the world. The communist experiment first took root in czarist Russia at the turn of the twentieth century. It has since spread around the world and taken hold in places such as China, Cuba, and Vietnam. This text highlights the rise of communism and its expansion to other nations in all corners of the globe..
