HOMIE IMPROVEMENT 1-2-3

EXPERT ADVICE FROM THE HOME DEPOT

Home Improvement 1-2-3, Home Depot (Firm), John P. Holms, Meredith Books, 2003, 0696213273, 9780696213274, 560 pages. The first edition of Home Improvement 1-2-3 was one of the best-selling home improvement books in the history of DIY. The soup-to-nuts approach made it the handbook for home repair across America. This new edition includes everything from advice on everyday maintenance to repair to new construction. It introduces new technology and new products. At every turn, the book offers expert advice on issues that confront homeowners every day. All-new how-to photography provides even greater assurance of success for novices and experts alike. Throughout the book, Home Depot professionals share their Wisdom of the Aisles with insights, tips, and shortcuts. This project-driven book is the beginners text, experts handbook, and everything in between. Clear, concise instructions on virtually every aspect of home improvement, repair, and maintenance: Time-tested projects Innovative products Tips from Home Depot pro From painting to plumbing, this book provides the facts: New technology The latest materials The best applications Today's tools This comprehensive reference guide will appeal to buy-it-yourselfers as well as do-it-yourselfers: Home maintenance strategies Specific materials lists Buyers guides.
