Change itself doesn't take a long time. What does take a long time is an individual realizing and accepting that the change is necessary. Once the mind is unconditional made up, the change can occur rather quickly. "Change, Is Simpler Than You Think" is written and designed to equip you with the knowledge, strategies, techniques and exercises to assist you with eliminating any behavior or habit that is preventing you from accomplishing what you truly desire to achieve.

Life is about living not just existing. "Life Is Not A Spectator's Sport" contains 7 success principles that will motivate, inspire and empower you to take charge of your life. It also contains exercises after each section that will empower and assist you with pushing past the obstacles that are blocking you from living the life you truly desire to live.

"Things You Should Know Before & After Starting a Business" provides you with the information you need to know if you are already in business, or are seriously considering starting a business. Increase the probability of your business being successful by understanding which business structure is best for you and what expenses are deductible and how they are deductible. It's simple to read and understand and comes complete with sample blank tax forms, a sample business contract, a sample income tax return for a business and much more.

According to Dunn & Bradstreet, the #1 reason most businesses fail within the first 5 years is "managerial incompetence". Unless business owners recognize what they don't know and don't do well and seek immediate help, they soon face disaster. "Things You Should Know Before & After Starting a Business" will provide you with that knowledge. The \$9.95 you invest in this book will financially reward you time and time again.
