Jail Time: What You Need to Know...before You Go to Federal Prison!, Michael Frantz, Dog Ear Publishing, 2009, 1598589350, 9781598589351, 420 pages. Jail Time, What you need to know... Before you go to federal prison! Jail Time was a book I never wanted to write. Federal Prison was a place I never wanted to be. Sometimes things just happen that you really can't explain or even know why they happened. They just do. Life is funny that way- one day you are on top of the world and the next day you're in a bottomless pit-you think. But later you discover that the pit's bottom is even deeper. There are many challenges facing those individuals entering federal prison. These challenges are not easy, but they are controllable. Controllable, if you have the proper knowledge, resources, and motivation. The motivation is to get home to your family as soon as possible. This is where Jail Time can help. Jail Time offers solutions to the problems that men and women facing federal incarceration are confronted with. Jail Time provides a wealth of information to help families get through their ordeal together and get the offender back home in the shortest possible amount of time. Born into an impoverished and broken family in Ohio, Michael Frantz studied diligently and graduated with honors from Denison University in Granville, Ohio. He continued his studies and earned a post graduate degree from Ohio Northern University College of Pharmacy with highest honors. With little or no money he started his own home medical equipment business in 1980 and grew it in sales to over \$7,000,000 a year. At the height of his business he had six locations in five different Ohio cities. In October of 2002 the FBI raided all six of his stores in what was to become a two year legal and emotional nightmare. They alleged Medicare and tax fraud. In 2004 Mr. Frantz reluctantly accepted a plea agreement and was eventually sentenced in July of 2005 to 51 months in the Federal Prison Camp (FPC) in Miami, Florida. He spent nearly 16 months there. Later he was transferred to the adjacent low security Federal Correctional Institution (FCI). In 2008, he won his appeal and was released from federal prison on July 18, 2008 after serving nearly 36 months in federal confinement. This, as he likes to say, was a life and career changing experience..
