He is Chariman of the Board of LAMA Books. His resume includes Associate Dean of Instruction for Vocational Education, Chabot College; University Instructor at University of California, Berkeley; Junior College Instructor, Bakersfield College; High School Teacher, Bakersfield High School; Instructor, Apprentice Sheet Metal Class; Sheet Metal Journeyman.

Packed with proven insights and advice from a master teacher, this handbook enables instructors at all levels to successfully teach any subject to adults. Candid about the realities of the adult classroom, these techniques enable teachers to optimize their teaching skills, polish their presentations, and effectively manage students. Beginning with basic teaching techniques and progressing through lesson plans, discipline, and avoiding common mistakes, this book offers a step-by-step approach to achieving positive results. A comprehensive overview of presentation skills for business, educational, professional, and informal settings contribute to the handbook's effective use in the classroom and workplace.
