The pictures in these books vary in size from full page to almost wallet sized, but they are all close up and demonstrate the text. The text is a decent size and simple with the amount of text varying from a couple sentences to a paragraph. The bold faced terms are not all explained in the text, but are still simple enough that a parent can explain each as the book is being read. Some of the pictures will help with this. A glossary is included as well as facts about the animal and a map of where...more The pictures in these books vary in size from full page to almost wallet sized, but they are all close up and demonstrate the text. The text is a decent size and simple with the amount of text varying from a couple sentences to a paragraph. The bold faced terms are not all explained in the text, but are still simple enough that a parent can explain each as the book is being read. Some of the pictures will help with this. A glossary is included as well as facts about the animal and a map of where the animal lives naturally. Preschoolers to about 7 years old would probably enjoy the series. Titles we own in this series are: Timba the Tiger, Lisa the Lion, Ella the Elephant, Rudy the Rhinoceros.

Susan Nations is an author, national literacy consultant, conference presenter and Literacy Coach in the Sarasota County Public Schools. She is the co-author of Primary Literacy Centers: Making Reading and Writing STICK!, More Primary Literacy Centers, and So Much Stuff, So Little Space: Creating and Managing the Learner Centered Classroom. She has also written many teacher's guides for Weekly Reader Early Learning Library. In addition to her site-based job, Susan is highly requested to speak and present at local, state, and national conferences. She also provides customized literacy training for schools and districts around the United States. As a Literacy Coach at Gocio Elementary School in the Sarasota County School System, she currently works with K-5 students and teachers to implement and improve literacy instruction.
