I feel like Lucy Ricardo on the production line at the candy factory. I can't keep up and I can't swallow anymore... I was hungry to experience deeper intimacy with Jesus Christ, but had become distracted by my busy lifestyle. I had allowed the mechanics of ministry and living the Christian life to rob me of the exhilarating awareness of the indwelling presence of Christ.

This book is so radical and so good because of the way the Savior's love for us as believers in Christ is explained. Definitely a must read and not for the faint of heart if you're expecting a "normal" Christian book. It describes His love as very passionate and intense for His own and not indifferent.

"I feel like Lucy Ricardo on the production line at the candy factory. I can't keep up and I can't swallow anymore. What is God showing me to do?...From that cry of Steve's heart, he was awakened to an invitation from God...a divine invitation to a deeper intimacy with God than he had ever known -- the kind of intimacy that God invites every believer to enjoy.

An amazing look at the truth about how God feels about His most prized possession--me (and you--we're all His favorites). This book has the power to change erroneous concepts of Abba, and therefore change your life. If you want to actually feel the love of God, savor each chapter, meditating on the truth that the God of the universe is inviting you to dance your way through life with Him, in Him, as He sings over you! I guarantee that you will come away knowing this: God is for you!

just what i've been needing to read for a long time. this book goes over a lot of the issues i've been dealing with in my heart for many years, and gave me a biblical perspective on my relationship with the Lord. i'd recommend this book to anyone who is a Christian, but especially to those who may be struggling with your view of God and how you can relate to Him.
