A NOVELLA BY JOSEPH MILLER, M.D. Copyrighted material

The Paris Hair Salon and Barber Shop, Joseph Miller, First Edition Design Pub., 2011, 0983734283, 9780983734284, . The men and women of Tucker, Texas are split on the need for new library, which the women want, or a gymnasium and weight room for the high school's sporting teams, which all the men support. Ms Maybelle, the owner of the Paris Salon, takes a page from Lysistrata, though she wouldn't know Aristophanes if he jumped up and bit her on the butt, and suggests that the ladies of the town withhold their sexual favors unless the men change and vote a library. Well, if you want to start a woman's movement, start it in a hair salon. The idea jumps from the starting block like Jesse Owens with a firecracker up his---well, you get the idea. Soon the town is not only divided on what they think they need, but cranky as all get out from lack of sexual comfort. How this conflict is resolved is the theme of: THE PARIS HAIR SALON AND BARBER SHOP.
