Eat, Drink and Profit: Moneymaking Ideas for Food and Beverage Operators, Carolyn Bahm, Oxford Publishing, Incorporated, 1999, 0970126212, 9780970126214, . .

, , , , , . .

What distinguishes your food and drinks from the competition's? Let experts from Nightclub & Bar Magazine teach you the basics of a world-class food and beverage operation. How to develop an effective appetizer menu. Using suggestive selling to boost check averages. Essential cocktails your bartender must master, and tips on making them even better. Plus, details on the hottest beverage categories and much more.
