Nobody is smarter than you when it comes to reaching your students. You know how to convey knowledge in a way that is relevant and relatable to your class. It's the reason you always get the best out of them. And when it comes to planning your curriculum, you know which course materials express the information in the way that’s most consistent with your teaching. That’s why we give you the option to personalize your course material using just the Pearson content you select. Take only the most applicable parts of your favorite materials and combine them in any order you want. You can even integrate your own writing if you wish. It's fast, it's easy and fewer course materials help minimize costs for your students.

Our library is vast, and it's all at your fingertips. Create a custom book by selecting content from any of our course-specific collections. Here, you'll find chapters from Pearson titles, carefully-selected third-party content with copyright clearance, and pedagogy. Once you're satisfied with your customized book, you will have a print-on-demand book that can be purchased by students in the same way they purchase other course material.

Pearson Learning Solutions will partner with you to select or create eBooks, custom eBooks, online learning courses, resource materials, teaching content, media resources and media supplements. Simply share your course goals with our world-class experts, and they will offer you a selection of outstanding, up-to-the-minute solutions.

Pearson Learning Solutions offers a broad range of courses and custom solutions for web-enhanced, blended and online learning. Our course content is developed by a team of respected subject matter experts and experienced eLearning instructional designers. All course content is designed around specific learning objectives.

Gary Dessler is a Founding Professor at Florida International University, teaching hybrid classroom/online courses in human resource management, strategic management, and management. Professor Dessler has also served associate dean, and department chair during his 12-year tenure. He has degrees from New York University (B.S.), Rensselaer Polytechnic Institute (M.S.), and the Baruch School of Business of the City University of New York (Ph.D.). His best selling Human Resource Management, 10/e (Prentice Hall, 2005) blends theory and practical applications and is also available in Russian, Spanish, Indonesian, Malaysian, Portuguese, Indian, French, Lithuanian, and Traditional and Simplified Chinese, and in various international English language editions published for specific markets, including India. In addition to Human Resource Management, Dessler is the author of Management: Modern Principles and Practices for Tomorrow's Leaders (Prentice Hall 2004), Framework for Human Resource Management (Prentice Hall), and Winning Commitment: How to Build and Keep a Competitive Workforce (McGraw-Hill). Many of these texts are also available in foreign translation are in use by students and managers around the world. Dr. Dessler has published articles on employee commitment, leadership, and quality improvement in journals including the Academy of Management Executive, and Administrative Science Quarterly, and presented, most recently, a paper titled "Human Resource Management in China: Past, Present, and Future" at the Asia Academy of Management meetings in Shanghai (December 2004). Well-respected and honored in his field, Dr. Dessler was recently appointed visiting professor at the Renmin University of China in Beijing, and for the past three years he has served as a member of the Institute of International Education's national selection committee for the Fulbright student awards. His syndicated "Job Talk" column has appeared in the Miami Herald and other prominent papers.
