I had no idea that the author of Civil War Hauntings and beyond also had an Angel book on the list! After buying and reading 'Heavenly Visitors' I find that I love this book as much as the author's first book. The book is a collection of true Angel stories collected from people that had an encounter from an Angel or their Guardian Angel. The author in his writings has a true love for God and his Angels and it shows in the book he wrote. The book is very uplifting. It's nice to read stories of people who have actually encountered Angels in their everyday lives. This book is a must read for people who believe in Angels! Very good job! When is your next book coming out?!!!
