In God We Trust person or un Tenemos confianza en Dios persona? In a perpetual duty-bound slavery to FED Notes? Freedom of speech sabotaged? Food Stamps, the modern Stamp Act, imposed to support lazy people! Surrounded by selfish Civilian cowards during wartime? Suffer loss of a job due to Affirmative Action quotas? Criminals released and roam free to commit again. Who actually is an African American.? Has your Church fallen for the idiotic 501c3 Gag order, become of the harlot in Revelations, and/or harbors an antichrist/false prophet diluting the Word of God? John F. Kennedy once said: "A revolution is coming - a revolution which will be peaceful if we are wise enough; compassionate if we care enough; successful if we are fortunate enough - but a revolution which is coming whether we will it or not. We can affect its character, we cannot alter its inevitability." Treber Caleb Doall was orphaned at a young age. Fortunately, a God fearing man took him into his home to teach him discipline, love, and morals. He has overcome embarrassing moments, dangerous falls, and the selfish desire for love. Currently, he holds the rank of Colonel in the U.S. Army, but has willingly embraced challenges to serve his country in need, despite uneducated criticisms. With this book, he's become a humble amateur writer with a brave revolutionary story to tell. Grow with him as he stands against evil, climbs in triumphant and yes falls at unfortunate times, finding himself on his knees somewhere in between humanity and spirituality. "With his gun he ends peace. His words set family members against themselves. And his actions transform people into a united mass; the greatest threat to our blessed status quo." The American Communist Lawyers Union 2013.
