

THE RECALL SIGNAL

AND OTHER STORIES

by

Kenneth Knight

The Recall Signal and Other Stories, Kenneth Knight, Triumph Books, 2011, 0974954454, 9780974954455, 150 pages. A collection of four stories set in the World War Two and immediate post-war years, featuring men of the Royal Navy. The stories, though fictional, are loosely based on actual events, and on people with whom the author long ago once served. Two of the stories give glimpses into what life must have been like aboard submarines of those days, while the two other more light-hearted stories tell of adventures ashore..
