

The Standard for Portfolio Management, Project Management Institute, Project Management Institute, 2008, 1933890533, 9781933890531, 146 pages. The Standard for Portfolio Management-Second Edition continues to recognize good practices in the discipline of portfolio management. With new knowledge areas it helps portfolio managers "do the right work." What's new? * Two new Knowledge Areas: Portfolio Risk Management and Portfolio Governance. (Governance is accountable for investment decisions throughout the portfolio lifecycle.) * Greater emphasis on these areas means increased awareness of the opportunity costs throughout the process and an increased focus on delivering results! Start meeting your standards for better project performance..
