

75 Chinese, Celtic & Ornamental Knots: A Directory of Knots and Knotting Techniques Plus Exquisite Jewelry Projects to Make and Wear, Laura Williams, Elise Mann, St. Martin's Press, 2011, 0312675313, 9780312675318, 128 pages. Jewelry-makers will learn how to tie decorative knots from across the world with this stylish directory. Clear diagrams are teamed with step-by-step instructions to make tying 75 different knots simple. And each knot is graded so even complete beginners can get started right away. A selection of projects allow readers to create beautiful and original jewelry. Combine ornamental knots with beads for a modern look, or choose a more traditional style with entirely knot-built pieces. With detailed material lists and photography of finished items, this book is the complete guide to a unique style. Also containing a comprehensive techniques section, 75 Chinese, Celtic & Ornamental Knots shows how to use jump rings and seal cords correctly. This know-how will be invaluable as readers progress to designing and creating their own knotted jewelry..
